

Lights, Camera, Action

Music and lyrics by Emma Lauson, Marios Andreou, Chris Symons Copyright (c) 2017 All Rights Reserved

(Capo 1st)

V1

(Em) Frozen in time like groundhog day
The (Em) world is a stage but I can't be seen
(C) Counterfeit smiles with (Em) nothing to say
The (C) lines are a lie - (D) cut the scene!

Chorus

(G) Lights camera action
(Em) Clear the cutting room floor
I'm (C) editing my life
Won't (D) fake it anymore
Re (G) writing the lines
(Em) Creating a brand new script
(C) Lights camera action
It's (D) time to move on

V2

I'm (Em) on the red carpet with cameras everywhere
I'm (Em) winning an Oscar I'm taking a bow
The (C) press are so fickle but (Em) I just don't care
The (C) world is in motion, (D) look at me now!

Chorus

(G) Lights camera action
(Em) Clear the cutting room floor
I'm (C) editing my life
Won't (D) fake it anymore
Re (G) writing the lines
(Em) Creating a brand new script
(C) Lights camera action
It's (D) time to move on

Bridge

I'm (Em) taking the director's chair
It's (Am) time to switch the roles
(Am7) Adjusting the focus
Let the (D) camera roll!

Chorus

(G) Lights camera action
(Em) Clear the cutting room floor
I'm (C) editing my life
Won't (D) fake it anymore
Re (G) writing the lines
(Em) Creating a brand new script
(C) Lights camera action

It's (D) time to move on
