“The Teacher”

Jason Levine is a native language teacher from New York with 16 years of experience.

He has developed a methodology that teaches English through rap music.

Specialises in
long-distance
teaching
methodology

He has already visited 14 countries worldwide.

He is an active social-media user

Very popular on Youtube: www.youtube.com/user/collolearn

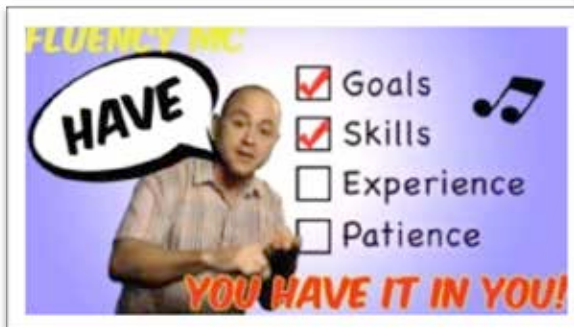

“The Workshop”

During the 90-minute workshop, students practise English with the help of Jason’s songs and videos. **The workshop focuses on improving students’ listening, reading, and speaking skills.**

“The Workshop”

Workshop description:

1. **Students watch** Jason perform live with his videos. **Lyrics and images are projected onscreen.**
2. Jason involves students by asking **questions to make sure they understand the materials and enjoy the activity.**
3. Jason performs the same song with video again. This time, **students chant, shout and sing along to practise their English.**

Testimonials

Jason's workshop is incredible! He brilliantly combines his love for hip-hop and the English language in this unique workshop. Expect to have a lot of fun while improving your English at the same time!
www.eslhiphop.com

Jason is a very unique person, capable of involving hundreds of students...
Salvino Amore, Salemi,
(Italy)

Your songs are a HUGE hit in my class.
You are an inspiration!
Inger (Norway)

Thanks a lot! My students love your song and want to learn it. Yes! They actually WANT to learn! For some of them, it's a miracle!
P. Moureaux (France)

It was just great....why don't you visit Jordan?
Mohammad Nofal, Gerba,
(Tunisia)

Amazing! Awesome! Astounding!
It's like you have the ability to teach in a few minutes what many teachers can't in an entire lifetime.
Your students must love you! I'm teaching English and you've inspired me and taught me so much.
Roberto (Mexico)
